

Feedback sheet (mediation and effect on others)

Where do you see my special strengths, in general?

Can you give examples?

Where do you see my strengths in mediation?

Can you give examples?

What would you like to see more of?

How would that look like in concrete terms?

What should I do differently in mediation in the future?

Do you have suggestions, tips for my further development

What impression do I give/emphasize in difficult / tense situations?

What impression do I convey in normal conversations?

The feedback came from _____.
