**EMA/CAMP MS Student Feedback & Assessment**

---

Learners will be evaluated during the final role play assessment and given feedback based on the learning objectives outlined in the Core Competencies document.

1. **Understand the underlying principles of mediation**
2. **Understand the mediation process as distinct stages with the goal of each stage**
3. **Demonstrate effective skills to support informed decision making that meets parties needs**
4. **Ability to identify and address ethical dilemmas in real time.**
